

PRIVATE CLIENT SERVICES

Here To Serve

Turn your focus to your passions and utilize MichaelSilver to manage your current needs and future growth.

MichaelSilver's Unique Approach

Our Private Client Services team is dedicated to providing personalized attention ranging from basic accounting to concierge to complex wealth management services. We work closely with clients to identify their unique needs and outline an innovative approach that provides the most appropriate level of guidance. We execute clients' specific plans in close collaboration with attorneys, bankers, investment advisors, and other professionals to help ensure that every aspect of their goals is addressed and achieved. We strive to make clients' lives easier by providing trusted, comprehensive, and individualized service designed to efficiently meet personal goals and objectives.

We strive to make our clients' lives easier by providing comprehensive and individualized service.
